A big thanks to the Trustees and Ted Stager for putting in the new counter top in the library. The sink that was there wasn't needed and often cause leaking and mold issues. They removed that and now we have another clean and safe area to display books. We know (and truly don't know) how much this hard working group has to address and keep safe and current to keep our facilities a safe and legal place to call home. Thanks for all you do. Kim, Lisa and Jeanine

Remember your Acme Receipts for the "Cash Back program". Any receipts collected from now till – December 24th will be appreciated.

Coming this September ...September 24th, we will host a fun-filled afternoon party and picnic. You can have the opportunity to host a game, food, craft tables and more. There will be informational booths. Sign up in the Gathering area if you would like to host a table or volunteer to help. We will be having a book giveaway at our party on Sept. 24th. Please donate books you enjoyed that you think others would like to read. Children's books would be great too. There will be a box in the Gathering area. Thank you! Sally Ramsey

The Circle of Light will meet on Tuesday, September 5th at 8:00am. They will begin making those delicious buckeyes. The cost is \$5.00 per dozen. A sign-up sheet is located in the Gathering area. The last day to order will be October 29th. We are always looking for volunteers to help make them. This is a fundraiser for the church to help the different projects. See Brenda Adkins with your questions.

Free Lunch Today ... On Tuesday, August 8, gale-force winds rushed along the mountains of Maui, bringing down power lines, igniting grasslands, and contributing to what has become “America’s deadliest wildfire in more than a century”. An extremely dry summer, and winds as a result of Hurricane Dora, exacerbated the flames and the toll

on land and people continues to mount. As of this writing, over 111 lives have been lost, and as authorities have searched 25% of the affected area, they expect the death toll to climb. Nearly 1500 people are staying at evacuation shelters as 2200 structures have been destroyed (85% of them residential). Hundreds of families have been placed in emergency temporary housing, and several thousand hotel and vacation rentals are being secured to house those displaced. Officials estimate such ‘temporary’ housing will be needed for 36 weeks or longer.

As neighbors across the mainland have followed the news, anxious for word from friends and family, and are eager to help in any way possible, Week of Compassion has been in contact with Disciples colleagues, ecumenical partners, and local response leaders as they assess the situation for immediate response and long-term recovery plans. To help aid the devastation that was left, we are hosting a **free luncheon today of burgers and hot dogs, and ice cream with toppings**. Stay for lunch. **Everything is provided, all are welcome!** A donation container has been set up. **100%** of everything collected will go through Week of Compassion for our sisters and brothers in Maui.

From the Library Committee ... Thank you to the folks who have taken a book title to donate to our library! The tree will be up for another week so get your title soon. Of course, we will always look at new donations. We hope to have an open house soon (There have been a few schd’ issues and a couple of illnesses that have slowed the process down.) We want to thank the Circle of Light for their gracious donation from the Buckeye Sale. By buying as many used and discount book sites, 28 new books were added to our collection. Stop by and check out a book for a great read!

Also ... The book corner has been updated with “new” books. Please take a moment to see if your next favorite read is just waiting for you.

The next meeting of the **Book Club** will be on Sept 11 @ 1 pm. Please come and join us to discuss our next read: **“The Secret Life of Bees”** by Sue Monk Kinn.
