Congregational Café ... Next Sunday, Oct 11th, immediately after worship service with Pastor Bane and Rev. Allen Harris, our church will be hosting a “Congregational Café”. This interactive and fun event is part of our congregation’s important transitional work as we begin the journey seeking our new pastor.

Based on the successful World Café discussion model, the Congregational Café’ has been designed by our Regional Minister to help us explore in a playful and conversational way with six questions about our experience and perspectives on the church and ministry. Lasting only about an hour, participants will discuss and write their answers, in words and images, in small groups of 3-4 people. Participants will move into new small groups between each question. Our Regional Elder, Rev. Terry Bartlett, will help us guide us through the process. Everything that is shared will be gathered and will provide helpful information to our future Search Committee as they prepare our Congregational Profile for the Search and Call Process.

There will be light refreshments, but no meal served, in order to keep the program moving along quickly. Everyone is welcome to attend this event, people of all ages as well as members and friends of the congregation. Please plan to be in worship on Sunday, October 11th, and stay for just a little while so that your input can be part of our future plans for Mission and Ministry.
